

FIXED CAP CHUCKS

Better Bottling
THE FBN WAY

Meticulously Crafted from the Highest Quality Materials. Engineered and Built to Perform at the Highest Level!

Custom Serrations

- Serrations tailored to precisely match cap knurl design.
- Provide precise transmission of torque from spindle to cap.

Laser-Etched

- Provides easy identification.
- Custom marking available.

Detail Focused

- Careful attention to even the very smallest detail.
- Helps prevent caps from being marked.

Multiple Configurations Available

- We can match any OEM cap chuck.

Quick-Change Option Available

O-Ring "Keeper"

- Eliminates potential of losing o-ring.
- Protects ball environment while maintaining o-ring visibility.

Maximum Lead-In

- Designed to minimize missed application.
- Helps ensure repeatable cap pick up.

Offset Ball Position

- Provides for superior handling.
- No binding on cap.

But Wait—There's More to Love About FBN!

DITCH THE GREASE!

Our clutch never needs grease—even during assembly and rebuild!
It's also the only clutch with a lifetime magnet guarantee.
